

Hearing Protection

Does Petzl offer hearing protection for VERTEX and ALVEO helmets?

While Petzl doesn't make hearing protection, our VERTEX and ALVEO helmets can be easily equipped with it.

Here are the references for the products that are certified and therefore compatible with our helmet models:

- A-Com BT Cap
- A-Com Cap
- A-Com FM Cap
- Aurora Cap
- Auroramil Cap
- Ergomax Cap
- FM Radio 32 Cap
- FM Radio Cap
- FM XPB Cap
- Multi Cap
- Multi XPB Cap
- Natural Cap
- Natural XP Cap
- Natural XP Headset Cap
- Natural XPB Cap
- Peltor H31, H31P30P3
- Peltor Optime I, H510P3
- Peltor Optime II, H520P3
- Peltor Optime III, H540P3
- Splendor Cap
- Splendormil Cap
- Sportmil Cap+
- Supermax Cap
- Supermil Cap

It can be mounted on the two little slots on the side of the shell.

Spelean does not sell Hearing Protection in Australia or New Zealand, of the list above, the PELTOR is the most common locally.

For more information, please contact your local Petzl PROFESSIONAL Representative

Australia: (02) 9966 980

New Zealand: (03) 434 9535
